Career Objectives:

From my childhood I had a cherish desire to become a perfect Hafez Mawlana with good human being. The main goal of my career is to pursue a more challenging job in a dynamic and esteemed organization where I will be able to work in any kind of situation with full efforts and freedom to utilize my academic knowledge and skills for developing future career and better life. To broaden my research expertise, establish my individuality, and have a positive impact on society, I want to pursue a master's degree. So I am looking my space to go forward and decoct the ultimatum.
