OVERVIEW

I am an Arabic teacher with a deep love for teaching. It is my favorite profession, and I enjoy helping students learn. I want to build my career in the field of education. I teach in a way that helps students grow in their faith and understand Islam and its history better. I use both traditional Islamic teachings and modern methods to give a full and effective Islamic education. I also wish to work as a Da'i to share the message of Islam across the world.
