

BADRUNNESA SHILA

ABOUT ME

Myself Badrunnesa Shila, a recent graduate with a Bachelor's degree in English. I am a fast learner with a strong determination to acquire new skills and an analytical mindset to solve problems. My experience as a Content Writer intern across multiple organizations, including InAmigos Foundations, Kshitiksha Foundations, Earth5R, and Marpu Foundation, has honed my ability to craft engaging and research-driven content. I have developed blogs, social media posts, and fundraising articles, all while collaborating with teams to align content with organizational goals.
